WELCOME TO WORSHIP

Greetings in the name of Jesus Christ

Interact with This Devotional!
 '...The words that I speak to you are life.' John 6:63

Don't just read this devotional, interact with it. To get the most out of each day, find an insight and reflect on it; a nugget of truth you ponder throughout the day. Paul told Timothy, 'Reflect on what I am saying; the Lord will give you insight into all this' (2 Timothy 2:7 NIV). The more you reflect, the more God will reveal. Then, find a verse and memorise it. This verse should encapsulate a truth you've just read. If you want to improve the quality of your life, memorising Scripture is one of the most important habits you can begin. Write the verse down and read it every chance you get. Like a seed planted, it will produce life in you. Jesus said, '...The words that I speak to you are spirit, and they are life.' Then, find a question and personalise it. This question should help you to reflect about what you've read and how it applies to you personally. The question is not just, 'What is God saying?' but, 'What is He saying to me?' By writing down your thoughts you can find the answer to that question. Finally, find a principle and act on it. Information only turns to transformation when you do something about what you've read. James 1:22 writes, 'But the man who looks intently into the perfect law that gives freedom, and continues to do this, not forgetting what he has heard, is doing it; he will be blessed in what he does' (James 1:25 NIV). Your thoughts are worth taking time to think about! So when you read this devotional, do these four things.

Majestic God we see Your power all around us, and we know You are here. Help us to listen for Your voice wherever we may be.

O Lord make Your word real in my life as I read and study it, that I may steer clear of danger and grow in Your grace.

Heavenly Father may we not forget that our spirits must be fed and watered the same as our gardens. We long to grow in our faith and see You more clearly every day as we meditate on Your word.

Loving God help us to be good stewards of the resources You have placed in our hands.

Merciful God thank You for loving us even though we don't deserve it

Thank You, God for the glory of each season. May we fulfill Your purposes throughout our lives.

God calls out to us in every difficult moment, offering us peace.

(If two of you on earth agree about whatever they may ask, it will come to pass and be done for them by My Father in heaven.)
Matthew 18:19]
